

Know your bag colour, know your trait

With the growing DEKALB® canola portfolio and the new trait offerings from the DEKALB brand, it's imperative to spray correctly.

What can be used as an easy reference to know what you can spray on what field?
The DEKALB seed bag colours!

TruFlex™ canola with Roundup Ready® Technology hybrid, with tolerance to Roundup® herbicide

TruFlex canola with Roundup Ready and LibertyLink® Technologies, with tolerance to both Roundup and Liberty® herbicides

Roundup Ready hybrid with tolerance to Roundup herbicide

DEKALB LibertyLink® hybrid, with tolerance to Liberty® herbicide
