

2020 Prosper EverGol Assurance Program

Prosper® EverGol® seed treatment protects your hybrid canola against the most damaging diseases and insects including flea beetles, seed rot, seedling blight and damping off.

Prosper EverGol and DEKALB Helix® Vibrance® Treated Seed

If you observe flea beetle feeding damage of $\geq 25\%$ on your Prosper EverGol or Helix® Vibrance® from Syngenta treated hybrid canola at or prior to the four-leaf stage, please contact the Prosper EverGol Assurance number @ 1-844-250-9362 to determine if you qualify for up to a 50% rebate* on Decis® insecticide.

Prosper EverGol plus Lumiderm® Treated Seed

If you observe flea beetle feeding damage of $\geq 25\%$ on your Prosper EverGol plus Lumiderm® insecticide seed treatment from Corteva Agriscience treated hybrid canola at or prior to the four-leaf stage, please contact the Prosper EverGol Assurance number @ 1-844-250-9362 to determine if you qualify for up to a 100% rebate* on Decis insecticide.

Prosper EverGol and DEKALB Helix® Vibrance® plus Fortenza® Advanced Treated Seed

If you observe flea beetle feeding damage of $\geq 25\%$ on your Prosper EverGol or Helix® Vibrance® plus Fortenza® Advanced insecticide seed treatment from Syngenta treated hybrid canola at or prior to the four-leaf stage, please contact the Prosper EverGol Assurance number @ 1-844-250-9362 to determine if you qualify for up to a 100% rebate* on Decis insecticide.

2020 Prosper EverGol Assurance Program

2020 Prosper EverGol Assurance Program Grower Agreement

Program Products

- For the 2020 growing season, the Grower shall have purchased and planted certified hybrid canola seed treated with Bayer CropScience Inc. (“**Bayer**”) Prosper® EverGol® seed treatment, with Prosper EverGol seed treatment and Syngenta Canada Inc. (“**Syngenta**”) Fortenza® Advanced seed treatment, or with Prosper EverGol and Corteva Agriscience, (“**Corteva**”) Lumiderm® seed treatment or DEKALB® hybrid canola seed treated with Syngenta Helix® Vibrance® seed treatment or with Syngenta Helix® Vibrance® and Fortenza® Advanced seed treatment (collectively “**Treated Seed**”) on all of the acres for which a claim under this Program is being made (the “**Qualifying Acres**”).

Program Requirements

- The Grower certifies that the Grower meets the following Program requirements (the “**Program Requirements**”):
 - The Grower has signed up for this Program on or before June 30, 2020;
 - Purchases of Treated Seed were made by the Grower from between October 1, 2019 and June 30, 2020;
 - The Grower has satisfied all grower licensing requirements of all applicable seed companies in relation to the purchase and use of Treated Seed;
 - The Qualifying Acres were not planted to canola in the prior growing season;
 - The Grower followed the Canola Council of Canada recommended practices for optimal canola stand establishment on the Qualifying Acres;
 - The Grower observed flea beetle feeding damage on the Qualifying Acres at or prior to the four-leaf stage of development at levels at or in excess of 25% on the canola plants;
 - The Grower is making a claim under this Program only for canola on the Qualifying Acres that have not exceeded the four leaf stage of development;
 - The Qualifying Acres exceed 40 acres;
 - The Grower shall spray Bayer Decis® insecticide application (“**Decis**”) on the Qualifying Acres in 2020 according to the requirements on the Decis label and agrees that for payment calculation Decis rate is 40 acres/2.4L jug for flea beetles and planted canola seed shall be deemed to be 10 acres/per 22.7kg bag or bag equivalent;
 - The Grower agrees to all other terms and conditions of the Program.
